- The above initial interest rates are rates applicable to new loan agreements signed in the current month and loan disbursed by the end of the following month. The applicable rate will be determined at the time of loan agreement, not at the time of loan application.
- Interest rates are reviewed monthly. The initial borrowing rates and discounts on the base interest rates will be changed according to the review. (Depending on interest rate trends, the interest rate may change during the month.)

Terms and Conditions for Initial Interest Rates

The discount on the base interest rates shown above will be deducted from the base interest rate corresponding to each interest period type to determine the applicable interest rate.

Applicable period of the initial interest rate (discount on the base interest rates)

【Floating rate loan (1 year renewal)】

The discount on the base interest rate will be applied to the entire loan period from borrowing to full repayment. However, the conditions noted in 【Fixed rate loan】 below will be applied when the interest rate is changed from floating to fixed.

【Fixed rate loan】

The discounts on the base interest rate will be applied from the date of borrowing from 3 to 10 years loans respectively.

Fixed rate loans from 3 to 10 years can be selected by applying within a period specified by SMBC Trust Bank before the interest rate period is completed. If an application is not received, the interest rate is reviewed annually, i.e. the loan becomes a fixed rate loan (1 year). (See reference interest rate above.) Whether or not an application is received, a preferential discount of 0.40% p.a. is applied to the base interest rate of the month preceding each interest rate change. Future changes in service may result in this rate being changed or eliminated.

See “Initial interest rate change date” and “Interest rate change rules after the initial applicable interest rate period ends” in the Information Memorandum for details on initial interest rate change dates and interest rate changes. This document is available at our branches and on the SMBC Trust Bank PRESTIA Website.
