The maximum amount of Overdraft shall be calculated by the method provided in Paragraph 2 of this Article, based on the Deposits as collateral except for those deposits to be prescribed by SMBC Trust Bank. The Overdraft shall be made by deposit or the remittance of money to the Account of a Deposit designated in advance or shall be paid in cash. In the case of remittance of money to another bank, the Depositor shall pay SMBC Trust Bank such remittance charge as SMBC Trust Bank shall prescribe. The amount of any securities, etc. deposited shall be excluded from the amount of deposits as collateral until they are settled.

3. The Depositor shall create a pledge on Deposit as collateral for the Overdraft Amount and shall fulfill the procedures which SMBC Trust Bank deems necessary therefor.
4. In the event that there is any change in the financial circumstances, or necessity of preservation of receivables, etc., and SMBC Trust Bank decides reasonably that the use of Overdraft is inappropriate for any reason whatsoever, or SMBC Trust Bank gives reasonable notice, SMBC Trust Bank may reduce the maximum amount of Overdraft, suspend a new Overdraft, or cancel the Overdraft. In the event that the Overdraft is suspended or cancelled, the Depositor shall forthwith pay SMBC Trust Bank the principal of the Overdraft and interest accrued thereon, and in the event that the maximum Overdraft amount is reduced, the Depositor shall forthwith pay SMBC Trust Bank the principal of the Overdraft and the interest thereon in excess of the reduced maximum amount of Overdraft.

or 365 days (as determined by SMBC Trust Bank) in case the deposit currency is a foreign currency.

2. Interest on an overdraft shall be calculated by SMBC Trust Bank at the overdraft interest rate to be prescribed by SMBC Trust Bank in units of one Yen (JPY1) when the currency used is Japanese Yen, and in one currency unit or two decimal places of the unit of the currency to be used when said currency is a foreign currency. Using a year of 365 days, calculation is based on the daily calculation based on the number of days of the overdraft over the period from the first business day of each month to the day before the first business day of the following month, and the prescribed overdraft rate, and the interest shall be incorporated in the balance at the first business day of the following month irrespective of the currency. In the event that the amount after such incorporation exceeds the maximum amount of Overdraft, the Depositor shall, forthwith upon SMBC Trust Bank's request, pay such excess to SMBC Trust Bank.
3. The interest rate of the Overdraft shall be prescribed by SMBC Trust Bank. SMBC Trust Bank may change the interest rate due to changes in financial circumstances, etc. In the case of a change in the interest rate, SMBC Trust Bank shall either notify the Depositor thereof or indicate said change at a Branch counter, and the changed interest rate shall apply from the date of said notice or indication (or from a date as designated thereafter by SMBC Trust Bank).

Article 6. Collateral

2. In the event that the collateral value of a Deposit decreases due to foreign exchange fluctuations, etc. and SMBC Trust Bank finds that exists a rational reason that requires the preservation of receivables, the Depositor shall forthwith add further collateral upon SMBC Trust Bank's request or repay to SMBC Trust Bank the amount of the balance of the Overdraft Amount in excess of the maximum amount of Overdraft.

Article 7. Immediate Payment

1. The Depositor shall forthwith repay the principal of the Overdraft and the interest thereon to SMBC Trust Bank without any request from SMBC Trust Bank if, with respect to the Depositor or his assets:

 - (7) Any Account of the Depositor is terminated pursuant to Paragraph 3 of Article 10 of the General Agreement.
2. The Depositor shall, forthwith upon SMBC Trust Bank's request, repay the principal of the Overdraft and the interest thereon to SMBC Trust Bank if, in respect of the Depositor or its assets:
 - (1) the Depositor fails to pay any of his debts to SMBC Trust Bank when due, whether or not they are related to a PRESTIA MultiMoney Account Transaction; or

 3. If any of the events set forth in sub-paragraph 1 to 6 of Paragraph 1 occurs, SMBC Trust Bank may, without the Depositor's consent or notice to the Depositor, cancel all or part of the Deposit, regardless of the agreement relating to any Deposit (including automatic renewal of a time deposit in the type of automatic renewal.) In such a case, SMBC Trust Bank may request the Depositor to pay such cancellation expenses as SMBC Trust Bank shall reasonably determine.

Article 8. Setoff

1. In the event that the Depositor fails to perform any of the Depositor's debts to SMBC Trust Bank under PRESTIA MultiMoney Account Transactions or other transactions with SMBC Trust Bank (including forward foreign exchange contract transactions as provided in Article 11), SMBC Trust Bank may set off such debts (including interest and damages, etc.) against any Deposit and any of the Depositor's other receivables to SMBC Trust Bank at any time even before the maturity date of such Deposit or receivables.
2. In the case of setoff as provided for in the preceding Paragraph, SMBC Trust Bank may,

without prior notice to the Depositor and/or without taking any prescribed procedures, make withdrawals from any Deposit or any of the Depositor's other receivables to SMBC Trust Bank and may apply the money so withdrawn to the payment for debts owed to SMBC Trust Bank.

4. In the case of setoff pursuant to Paragraphs 1 and 2, the cancellation expenses of a Deposit shall be included in the Depositor's debts to SMBC Trust Bank.

Article 9. Designation of Appropriation

In the event that the debts to SMBC Trust Bank are repaid by setoff or other methods and the repayment amount is not sufficient to pay for all debts due to radical fluctuations in foreign exchange rates, etc., SMBC Trust Bank may appropriate the amount of said repayment in such order and in such a manner as SMBC Trust Bank deems appropriate.

Article 10. Foreign Exchange Rates, Etc.

In the event that all or part of a Deposit is withdrawn and converted into another currency, the repayment of debts to SMBC Trust Bank by setoff etc. is made, or the currency is converted and a Deposit is transferred to another Deposit upon conversion of the currency, SMBC Trust Bank shall comply with such timing and procedure, and apply such a rate of foreign exchange as SMBC Trust Bank shall prescribe. If the amount of one single PRESTIA MultiMoney Account Transaction to which the publicly-announced rate of foreign exchange to be prescribed by SMBC Trust Bank applies, or the total amount of more than one PRESTIA MultiMoney Account Transaction to which such rate of foreign exchange applies, is equal to or more than the amount to be designated by SMBC Trust Bank, SMBC Trust Bank may apply the rate to be designated by SMBC Trust Bank at the time of said PRESTIA MultiMoney Account Transaction instead of said publicly-announced rate. A Depositor who wishes to make deposit with a Deposit shall, upon conversion of the currency of the funds he/she owns into a different currency, make said deposit after converting the funds into the desired currency for deposit; however, the Depositor may not cancel the agreed upon currency conversion transaction (if any) (including foreign deposit

However, when there is debt secured by this deposit, the setoff will be made from this debt, or in case the debt is an obligation by a third party to SMBC Trust Bank, from the Depositor's guaranteed obligation.

3. The following shall apply to the interest, etc. in the event of setoff made in pursuant to Paragraph 1:
 - (1) As for the calculation of the interest of time deposits, the period shall be until one day prior to day the setoff notice was received by SMBC Trust Bank and the agreed interest rate shall apply to the interest rate.
