- If the referred person has not registered an e-mail address for "Service and Campaign" (including unsubscribe) or cancels the Foreign Currency Time Deposit subject to the program before the cash award is deposited or a gift catalog is sent, then the accounts will not be eligible.

#### <Notes about Foreign Currency Deposits>

Please read the latest "Information Memorandum" before making transactions. This document is available at our branches, etc.

#### Risk of loss of principal

- Foreign currency deposits entail a risk of FX fluctuations. Due to the market volatility, the amount in yen that you receive may be smaller than the amount in yen at the time of deposit, resulting in a loss of principal.
- The TTS rate (the rate at which yen is converted into foreign currency) and the TTB rate (vice-versa) are different (e.g. for US dollar, the difference is 2 yen per dollar). As a result, the amount in yen (including interest) that you receive may be smaller than the amount in yen at the time of deposit, resulting in a loss of principal, even if foreign exchange rates do not fluctuate.

#### Commissions

- Foreign exchange commission: TTS rate and TTB rate include a foreign exchange commission set by SMBC Trust Bank. (For US dollars, maximum of 1 yen per dollar to convert one way (i.e., from yen to dollar or dollar to yen) and 2 yen per dollar if converting into and subsequently out of yen or dollar.)
- Foreign currency cash handling fee: Fee is charged on each deposit or withdrawal of cash in a foreign currency (2 yen per US dollar, and 3 yen per Euro).
- Because other transaction fees for fund transfer etc. differ according to each transaction, we can't list all beforehand.
- For more details, please contact our branches or call us, or see the Service Fee List.

#### Other considerations

- Customers performing foreign currency deposit transactions for the first time (including receiving the funds in foreign currency by fund transfer) will be required to conclude a PRESTIA MultiMoney Foreign Currency Savings Deposit Contract. The application process will take a few business days, so please apply well in advance at branches, via online banking, or by mail.
- Cancellation of Foreign Currency Time Deposit is not allowed before maturity, including those that have rolled over automatically, except that SMBC Trust Bank determines cancellation is unavoidable. In the event that cancellation is determined unavoidable, depositor may be required to pay settlement fee due to changes in financial circumstances, etc. "Step Up Time Deposit" can be cancelled after the first 6 months from the date of deposit.
- Foreign Currency Deposits are not covered by any deposit insurance.
- Interest rates and exchange rates may fluctuate due to market conditions. Please check the latest information at our branches or via the bank's Website, etc.
- In principle, interest is subject to a 20.315% withholding tax (National tax 15.315% and Local tax 5%) for individual customers. Foreign exchange gains are treated as miscellaneous income under the Japanese tax laws. Comprehensive income taxation applies to corporate customers. The tax rate etc. may change in the future due to reasons such as revision of tax laws.
- Currencies of emerging countries involve more risks than those of developed countries.
- For transactions in ZAR, CNY, TRY, MXN, etc., the conditions may be restricted (the timing of deposits, withdrawals, etc.) During Market contingency etc. which SMBC Trust Bank regards it as necessary, transactions in foreign currencies may be suspended without prior notice.
- When transactions using online banking are available, the Prevailing Market Rate is applied in principle. The publicly-announced rate which includes foreign exchange commission applies to transactions in CNY, SEK, DKK, or MXN regardless of the transaction amount. These currencies above are not available during weekday nights and Japanese holidays.
- Please receive and read the latest "Information Memorandum"(Pre-Contract Document) within one year before investing in the Foreign Currency Time Deposit.
- It's required that you conduct Personal Profiling and have the Risk Score 1 or higher within one year before investing in this product.
